Mrs. Mabel Latham
Iron Springs

Dear Mrs. Latham:

This will introduce Miss Ann Hetrick who Mrs. Bennett has given permission to use her cottage for a few weeks.

Miss Hetrick is my secretary and has suffered a nervous break-down. I am very anxious that she have the rest and quiet that Iron Springs can give her.

I am sure you will find her a most delightful girl and anything you can do for her will be greatly appreciated by me.

With my best wishes for a happy summer, I remain

Affectionately,

BMG:KR
