**ARIZONA COLLECTION**  
**ARIZONA STATE UNIVERSITY**

**NOVEMBER 14, 1917**

In the Superior Court of Maricopa County,  
State of Arizona.

---

NELS BENSON,

Plaintiff,

vs.

JOHN ALLISON and Four Hundred  
Fifty-four Others,

Defendants.

DECREE.

---

The above entitled cause having come on regularly to be heard upon the complaint of the plaintiff, and upon the pleas and answers of the various defendants herein, and upon the default of certain defendants in appearing and answering; the plaintiff appearing herein by Messrs. Kibbey, Bennett & Curtis, his attorneys, and the various defendants by Messrs. Chalmers, Kent & Stahl, J. L. Gust, Charles B. Ward, James E. Nelson, J. H. Langston, A. D. Leyhe and H. B. Wilkinson, their attorneys, and the court having heard and received the evidence, both oral and documentary, of the parties hereto, and having considered the same and now being fully advised in the premises;

NOW, THEREFORE,

IT IS BY THE COURT ORDERED, ADJUDGED and DECREED, that the various parties hereto, and their successors in interest be, and they hereby are, entitled to divert or to have diverted from the water flowing in the Salt, Agua Fria and Gila Rivers to and upon the land owned or possessed by them as their interest may appear, for beneficial use upon such land, such amount of water as may be necessary and proper for the economical and successful irrigation and cultivation of such land, in area and extent, and in duration, and according to the relative rights in priority of appropriation, and in the amount, as shown, set forth and determined in the accompanying tables, which are incorporated in and made a part of this decree and to which reference is hereby made for exact and particular description thereof;

IT IS FURTHER ORDERED and DECREED that for the purpose of this case forty-eight (48) miner's inches constant flow to the quarter section of land measured and delivered at the land is the standard of the duty of water, subject, however, to an increase or decrease of such standard as conditions may hereafter require. An allowance for loss by seepage and evaporation will

be made equal to one and one-half (1½) per cent of the amount of water diverted for each mile of the length of the diversion canal from its head to the distributing lateral supplying the land.

The costs of this action shall be apportioned among the various parties hereto, in the proportion of the number of acres entitled to water.

The court retains jurisdiction of this cause and of the issues embraced herein and, upon good cause shown, may from time to time modify, enlarge, or abrogate any portion of this decree or of the tables attached hereto as a part hereof, by order or supplemental decree to be entered at the foot hereof.

This court also retains jurisdiction of this cause for the purpose of appointing a Water Commission for the purpose of enforcing this decree, whose duties shall be prescribed by the court, and for such other purposes as the court may from time to time determine.

This decree shall be in full force and effect from and after the 14th day of November, 1917.

Done in open court this 14th day of November, 1917.

R. C. STANFORD,  
Judge.
